

On Sunday, May 6, 2017, the monthly meeting of the Audio-Video Club of Atlanta was held at the Dunwoody North Driving Club clubhouse. This secretary was unable to attend, so these minutes are based on the meeting information from the club's website. This meeting was a "mini" Canlanta" show featuring exhibits from dealers, manufacturers, and headphone enthusiasts. There was no formal meeting, so folks could come in any time after noon until 5 pm to see the exhibits and speak to those sharing their equipment and experience in headphone listening.

Here are some of the folks exhibiting and some of the enthusiast equipment available:
